Key Dates:
- Community Day (woodland session) – 11th September
- Tree Adoption Day (woodland session) – 30th September
- Owl visitor – 8th October

Seasons and Weather

KEY VOCABULARY

Spring	**The season, after winter**, when the temperature begins to rise, plants begin to grow and animals come out from hibernation
Summer	**The warmest season, coming after spring**, when the days are long because the sun rises earlier and sets later
Autumn	The season, **after summer, where the days get shorter**, crops can be harvested and the leaves begin to fall from the trees
Winter	The **coldest season**, trees are often bare and some animals hibernate; the days are shorter
Rain gauge	A tool used to **measure how much rain has fallen**
Thermometer	A tool used to **measure the temperature**
Weather Vane	A tool used to find out in **which direction the wind is blowing**
Data	A **collection of facts, often numbers**, that can give us information
Clouds	A cloud is a **collection of tiny droplets of water in the sky**; when the droplets fall they become rain
Flood	An **overflow of water**
Hurricane	A **powerful storm** with strong winds
Meteorologist	A scientist who **studies the weather**

Rain	Snow	Cloud	Sun	Storm	Wind

Cirrus	Cumulus	Stratus
white, thin and wispy	white, fluffy	grey, cover the whole sky
